Subject: Garland Company Patents and Trademarks
Our Docket : GARL-6-00012 0000016

Dear Mark:

I have several matters with respect to the Garland Company which I need your assistance. Could you please provide me with a list of all the foreign associates that your firm used to handle Garland's patent and trademark matters. I would also like a copy of all Office Actions for Garland's U.S. patents and trademarks that were received by your firm, and have not been responded to. I also request that the files for all pending patents, trademarks and copyrights be forwarded to my office. I would also appreciate that you inform your various foreign associates to direct their future correspondence to my attention. This would greatly reduce any confusion as to whom these associates should seek further instruction with respect to any matters they are currently handling.

If you have any questions or need further information, please give me a call.

Very truly yours,

BRIAN E. TURUNG
